... IMPORTANT SENIOR INFORMATION ...

**Senior Photographs for the Kearsley Echo Yearbook
are due November 1, 2019**

NOW is the time to have senior pictures taken!

The Kearsley Echo Yearbook Staff requires the following type of senior picture. Photographs not meeting these requirements may not appear in the Kearsley Echo Yearbook. If you have any questions concerning these specifications, please contact Mrs. Kari Shaw, Yearbook Adviser, at the above address or telephone number.

It is the responsibility of the student to see that his/her photo is delivered to the yearbook adviser by the deadline date (November 1, 2019).

We require:

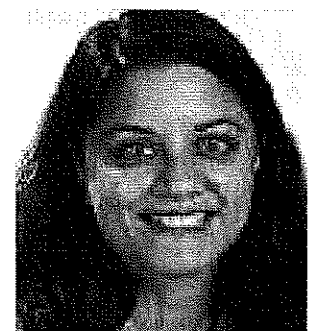

- ☞ One digital .jpg file
- ☞ **PLEASE RENAME YOUR PHOTO TO YOUR STUDENT'S NAME (LAST, FIRST)**
- ☞ Head and shoulder pose ONLY (or we will crop what you give us to be a head and shoulder pose)
- ☞ Please do not send a photo that is too close... in other words, just a face. The minimum amount of torso is in the examples below.
- ☞ Inside or outside background is fine
- ☞ JPEG photos should be e-mailed to kshaw@kearsleyschools.org (please make sure you receive a confirmation e-mail back). This is our preferred method. Photos in anything other than a .jpg format will not be accepted.
- ☞ We can also accept .jpg photos on a CD or flash drive, as well as a print delivered to room 106.

Good Photo! More of the body is okay too...we will crop it.
